

OBHA Celebrates Canada Day Playing Canada's Game!

The Ontario Ball Hockey Association (O.B.H.A.) has been the leader in organized ball hockey since its inception in 1974. It was 30 years ago this past summer that the first Provincial Championship was held and the rest, as they say is history. Since then the association has experienced exponential growth and development at all levels of participation. On July 1, 2005, the O.B.H.A. again showcased our sport during the Canada Day celebrations at Queen's Park Circle. This day was no exception as the tradition continued.

The 'happy faces' and 'high fives', which were clearly evident during the days proceedings as this exciting opportunity provided us with exposure and an additional avenue to provide spectators with sport education as well as an opportunity to perhaps try our game as more than 25,000 spectators took part in the holiday celebration.

Interestingly enough, the day was often overshadowed by the fun and frivolity shared by children playing with siblings, parents, and friends as the day unfolded.

Our slogan is "A Game Anyone Can Play" and through the help of the volunteers, along with the other support staff, we made it an enjoyable day for all the kids, parents and 'new' fans to our sport.
