

Shoot For A Cure scores BIG GOAL! With assists by Downsview Park and the Ontario Ball Hockey Association

"Build it and they will come!" Downsview Park did just that on February 4, 2006 as they constructed sixteen temporary rinks on the park grounds to facilitate the ninety four team event in support of Shoot For A Cure. The one-day winter festival included various activities, such as a silent auction, live rock & roll music from the Canadian Xsports and was highlighted with the celebrity challenge ball hockey game which had many NHL Alumni participating including Steve Thomas, Gary Leeman, Ken Dryden, Ron Ellis, Jack Valiquette, and Jim Thompson.

'Shoot For A Cure', Downsview Park and the Ontario Ball Hockey Association showed how sport, with the support of the local community and corporate sponsorship can help raise funds for spinal research. Together with all the participants we raised over \$18,000 in support of 'Shoot For A Cure'. For more information on Shoot For A Cure, please visit their web site at www.shootforacure.org.

Congratulations to all of the administrators, officials, coaches, players and fans that participated in the tournament and helped to make the event a resounding success in support of such a worthwhile cause.

We would like to congratulate the following division winners:

Open: Leafs
Youth: Braves

Master's: Falcons
Women's: Pennzoil

Recreational: Malton Maniacs
Competitive: National Jets
